## Compliance List of Declarable Substances (LoDS)

The European regulation REACH EC 1907/2006 (Registration, Evaluation, Authorization and restriction of CHEMicals) came into force on June, 1<sup>st</sup> 2007.

REACH aims to improve health and environmental protection, while maintaining the competitiveness and enhancing the innovative capabilities of the EU-industry.

We, G&G Trading International B.V., manufacturer of SPITA ResQ-tape, hereby state that our product complies with the RoHS and REACH regulations.

Our silicone self-fusing tape product does not contain and is free from any of the substances deemed declarable under the REACH initiative, as well as RoHS regulations.

A complete List of Declarable Substances is published on our website [www.resqtape.eu](http://www.resqtape.eu)

Please feel free to contact us if you have any further questions.

Harderwijk (NL), April, 1<sup>st</sup> 2013
